

- **Liquidity¹ of approximately \$348 million provides financial flexibility**

IRVING, Texas, Nov. 18, 2021 (GLOBE NEWSWIRE) -- Exela Technologies, Inc. ("Exela", "Company") (NASDAQ:XELA), a global business process automation leader, announced today that it has established GP 2XCV, LLC, an indirect wholly owned subsidiary, to deploy up to \$105 million to repurchase debt. B. Riley Commercial Capital LLC ("B. Riley") has agreed to provide up to \$75 million of debt financing to GP 2XCV, LLC alongside equity contributions by Exela of up to \$30 million, to purchase First-Priority Senior Secured Notes Due 2023, and/or term loans under the First Lien Credit Agreement, dated as of July 12, 2017, issued by Exela Intermediate LLC and Exela Finance Inc.

As of November 17, 2021, the Company's total liquidity¹ was approximately \$348 million, including \$75 million under the new facility.

Following the establishment of this facility, the Company intends to use the ATM only opportunistically in achieving its strategic goals, including growth, for the benefit of all stakeholders.

The Company filed an 8-K with the Securities and Exchange Commission which includes additional transaction details.

This press release is neither an offer to purchase nor a solicitation of an offer to sell the Company's existing senior secured notes or term loans.

¹Liquidity as defined per the third amendment of the credit agreement effective May 15, 2020 and includes \$24 million in addbacks contemplated by the credit agreement. We have also included in this amount expected net proceeds from the ATM equity offering for transactions made through November 17, 2021.
