

Exela Technologies Closes \$150 Million Securitization Facility with PNC Bank

Jun 21, 2022

- **\$6 million in estimated annual interest savings**

IRVING, Texas, June 21, 2022 (GLOBE NEWSWIRE) -- Exela Technologies, Inc. (“Exela” or the “Company”) (NASDAQ: XELA, XELAP), a global business process automation leader, today reported the closing of a three-year \$150 million financing facility with PNC Bank. The new facility replaces the Company’s existing securitization facility and is expected to provide annual interest savings of \$6 million based on current borrowing levels priced at L+400 bps.

The Company also filed an 8-K for this financing which provides additional details.

About Exela Technologies

Exela Technologies is a business process automation (BPA) leader, leveraging a global footprint and proprietary technology to provide digital transformation solutions enhancing quality, productivity, and end-user experience. With decades of experience operating mission-critical processes, Exela serves a growing roster of more than 4,000 customers throughout 50 countries, including over 60% of the Fortune® 100. Utilizing foundational technologies spanning information management, workflow automation, and integrated communications, Exela’s software and services include multi-industry, departmental solution suites addressing finance and accounting, human capital management, and legal management, as well as industry-specific solutions for banking, healthcare, insurance, and the public sector. Through cloud-enabled platforms, built on a configurable stack of automation modules, and approximately 17,000 employees operating in 23 countries, Exela rapidly deploys integrated technology and operations as an end-to-end digital journey partner
